

The Station

Welcome to The Station!

When we made the decision to open this restaurant it was with one goal in mind; to provide a service to our community. Our home town has a unique history and equally unique townspeople. From life-long residents who have contributed to its growth and charm, to our military servicemen and women who honor us and our country by serving abroad yet calling Knob Noster their home, and families that have simply chosen to live the honest and simple lifestyle that our town embraces.

We welcome each of you to our restaurant and pledge to offer you fresh food, a family-friendly atmosphere and dishes we hope will become your favorites. We look forward to serving and getting to know you!

- Bart & Lori Amsbaugh
